elcome to another exciting semester of LifeGroups and ServeTeams at Resurrection Life Church! Once again there are AMPLE topics, times, and locations for you to connect with others, give your time and effort for the sake of others, all to the Glory of the Father. Don't miss the vast opportunities to Love Others and Love God by fellowshipping and serving with others.

The theme for this year's groups is, "These are our people!" In the book, Power of Place by Daniel Grothe, he talks about the power of stability when we honor the relationships those around us. Jesus prayed explicitly to the Father for his disciples as those who were given to Him. In LifeGroups and ServeTeams we put to action the Biblical principles of healthy sowing and reaping for the sake of growth, resilience, healing, and sense of belonging of others in our community,

church body included!

LifeGroup and ServeTeam leaders have a passion to see you connected. Ask them about the groups they lead, and how you can participate. Mother Teresa said, "if you want to change the world, go home and love your family." We are the light of the world, starting with this area. Share the life in Jesus that you have – it's worth the investment!
